Thoughts & Feelings	There is so much text I don't feel like reading them.	I'm just gonna check out local gardening stores	I should make some note when to water these plants, and should learn more to take care of them
Emotional Experience	Frustrated	Refreshed	Feeling responsible & worried
Actions	Reading through informations in different websites	Buy some seeds & plants	Writing down reminders/notes
Touch Points	Laptop, Phone	Walking out, Brick & Mortar store	Sticky notes/magnets on Fridge
